Dear Wayne,

We apologize for these reports being so late. As you may know, we have been out of business due to the GSENM for four years now. We keep the Box 291 address for legal correspondence, but it is no longer either of our regular mailing address. Since both of us have been forced to leave the area for work we do not keep regular check on the mail. Enclosed is a more accurate or better way to reach us in the future:
